

The context

Lebanon

Houses, schools, and businesses damaged or destroyed.

Six major hospitals and 20 clinics damaged. Medical supplies destroyed.

1.5 million Syrian refugees live in Lebanon, many near the port in Beirut.

Increasing COVID-19 transmission.

The huge explosion that rocked Beirut on 4th August 2020, brought wide-spread devastation to the city. Lebanon is already experiencing a financial and political crisis, a surge in COVID-19 cases and is hosting more than 1.5 million Syrian refugees. In Beirut and beyond, Integral Alliance Members are responding operationally, working with local Partners and launching fundraising campaigns in their home countries. Through Integral, Members commit to working together in order to have the greatest impact for those in need.

Massive explosion in Beirut

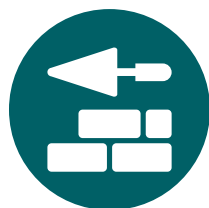

300,000 people have lost homes and businesses
