

# Our Commitment to Quality and Accountability

Integral is a global alliance of Christian relief and development agencies, working together to present a more effective response to poverty worldwide.

We believe that:

- more people in need will be helped if relief and development agencies combine their resources, and put their Christian faith into action by working together;
- by working together, expressing organisational humility and servanthood, we can demonstrate the character of God to a world in need;
- God cares deeply for people living in poverty, illness, hunger, conflict, alienation and oppression.

As an alliance we want to put people first. We are convinced that God calls us to express love for the world through practical actions. God calls us to serve those who are the least, the forgotten, the most vulnerable, and the unfortunate to the best of our ability. We therefore want to be intentional in our mutual accountability for the quality of our work.

Integral is committed to maintaining high quality in our work in accordance with internationally recognised standards[1] which respect international law and humanitarian principles.

Consistent with our Christian faith and values, the Integral Alliance endorses and commits to working towards the Core Humanitarian Standard.

Integral's Members are committed to working towards ensuring that our work, and that of our Partners, upholds the standards and good practices of the global relief and development community.
